6262 McCart
Fort Worth, Tx. 76133

Dear Corby:

Thank you so much for all your help in catering the receptions and lunch for the Ishida Aerospace Research groundbreaking on June 11th.

Everyone was very pleased with the luncheon menu. We could not have done it without you and appreciate your patience in handling last minute details and time changes.

Again, thank you very much.

Sincerely,

Mary M. Hug
