Mr. Jeffrey PAYNE

Dear Jeffrey,

You made my visit at Dallas Fortworth very memorable and for you to take the time to show me around your operations will be most valuable for the set up of our Euro Disneyland.

Please accept this small gift as a token of my appreciations and rest assured that I will not forget the interest you showed when I mentioned that your science may be needed for a couple of weeks prior to our opening of our operations in 1992.

The quality of your meats were second to none and I experienced the finest brisket I had ever had in my life. Once again, thank you for the time you have given me and please give my regards to your brothers and I regret that I was unable to meet your sister "manager as you called her".

Sincerely yours,
